

Electric Service Quality Workshop – 5

January 27, 2004

9:30 am – 4:00 pm

Government Center South

Conference Room B

9:30 Welcome

9:45 Discussion of Draft Rule on the Reporting of Outages and Reliability Statistics

The Commission would like feedback on the proposed rules. Draft rules will be circulated and posted on the IURC website prior to the workshop so that participants can review them before the meeting.

11:00 Report from Working Group 2

Line extension credit

Service area maps

The status reports from this group are posted on the web site and have previously been distributed to workshop participants.

Lunch

1:30 Power Quality Data Request Responses

Commission summary of the responses and discussion of where we go from here.

2:30 Utility Pole Attachments

3:30 Conclusion

The Commission appreciate everyone's involvement and believe this has been a useful process. This ends this series of workshops but the Commission may contact workshop participants for future workshops to follow-up on issues we addressed during this series or to discuss completely new topics.
